Annual Educational Seminar

Wednesday, September 18th, 2013

7:45 AM – Breakfast / Registration
8:30 AM to 2:00PM Program

Cost $25.00 / $35.00 Members / Non and Guests

Program at a Glance

Building Systems:
The BS of Facilities Management

This year the presentations and discussion will be focused on the building systems that facility managers contend with on a daily basis – electrical, mechanical, plumbing, fire suppression, security, and building envelope. The presentations will cover the practical side of operation, maintenance, and upgrades to these systems.

Location:
Ward Presbyterian Church
40000 Six Mile Road; Northville, MI 48168
* See attached map
Program Notes:

The Southeast Michigan Chapter of IFMA is presenting its annual Educational Seminar; this year the focus is on building systems – theory, operations and maintenance, limitations and retrofit. The timeline for presentations will be:
